Vita-day

EQUILIBRIO · BENESSERE

sport

Vita-Day Sport is a complete food for the maintenance of all breeds of dog. It is particularly recommended for dogs that alternate between periods of rest and sport activity, providing them with a concentrated intake of essential nutrients.

Directions: Vita-Day Sport can be served dry or mixed with liquid (preferibly tiepid). Remember to leave plenty of fresh water available in a separate dish.

Composition: Cereals, Derivatives of vegetable origin, Meat and animal derivatives (min. 22%), Oils and fats, Minerals.

Analytical constituents: Crude protein: 26,0%; Crude oils and fats: 8,0%; Crude fibres: 4,0%; Crude ash: 10,5%.

Nutritional additives: Vitamin A: 8.000 I.U./kg; Vitamin D3: 800 I.U./kg; Vitamin E: 80 mg/kg; E2 Iodine: 0,5 mg/kg; E6 Zinc: 13,0 mg/kg.

Technological additives: Antioxidants.

Dry food

I live with my dog

crocchette

Vita-Day is a complete food that is low in fat and ideal for the maintenance of any breed of dog during periods of rest. It is particularly recommended for dogs that cannot limit the quantity of food they ingest and therefore, over the years, tend to put on weight until they are obese.

Due to Vita Day's high levels of fermentable fibre it is also ideal for dogs with lazy intestines.

Directions: Can be served dry or mixed with liquid (preferably tiepid). Remember to leave plenty of fresh water available in a separate dish.

Composition: Cereals (min. 16%), Derivatives of vegetable origin, Meat and animal derivatives (min. 14%), Oils and fats, Minerals.

Analytical constituents: Crude protein: 20,0%; Crude oils and fats: 7,5%; Crude fibres: 4,0%; Crude ash: 9,0%.

Nutritional additives: Vitamin A: 8000 I.U./kg; Vitamin D3: 800 I.U./kg; Vitamin E: 80 mg/kg; E2 Iodine: 0,5 mg/kg; E6 Zinc: 13,0 mg/kg.

Technological additives: Antioxidants.
